

SUMMER WORKSHOP SERIES

PROJECT WET

Monday, August 2
9 a.m.-4:30 p.m.
\$10

Engage in multi-disciplinary activities that promote awareness, appreciation, knowledge and management of water resources. The workshop is appropriate for informal and formal educators of K-12 students. Participants receive a copy of the nationally acclaimed Project WET Curriculum and Activity Guide and a certificate of attendance and completion.

PROJECT WILD

Wednesday, August 4
9 a.m.-4:30 p.m.
\$10

Engage in multi-disciplinary activities focusing on wildlife, the environment and conservation. This workshop is appropriate for informal and formal educators of K-12 students. Participants receive a copy of the nationally acclaimed Project WILD Curriculum and Activity Guide and a certificate of attendance and completion.

PROJECT WILD AQUATIC

Friday, August 6
9 a.m.-4:30 p.m.
\$10

Engage in multi-disciplinary activities focusing on aquatic life, the environment and conservation. This workshop is appropriate for informal and formal educators of K-12 students. Participants receive a copy of the nationally acclaimed Project WILD Aquatic Curriculum and Activity Guide and a certificate of attendance and completion.

SPACE IS LIMITED. REGISTER TODAY!
Questions? E-mail: education@aqua.org

Morning refreshments will be available during each event. Lunch will be on your own—there is a food court across the street in the Ronald Reagan Building.
